Scale Model Railways

Bing for Bassett-Lowke O Gauge clockwork GNR 4-4-2 Tank - restoration by Simon Greenwood

- Extensive platework repair: new smokebox wrapper, new buffer, fabrication of new handrails & chimney, fabrication of a punch to take dent out of dome.
- Chip out of wheel flange – replacement brazed in place
- Re-soldering of bodywork
- Paint samples taken from the original model before stripping in order to ensure a match as accurate as possible to the original livery
